**SAVOY HOUSE EUROPE**

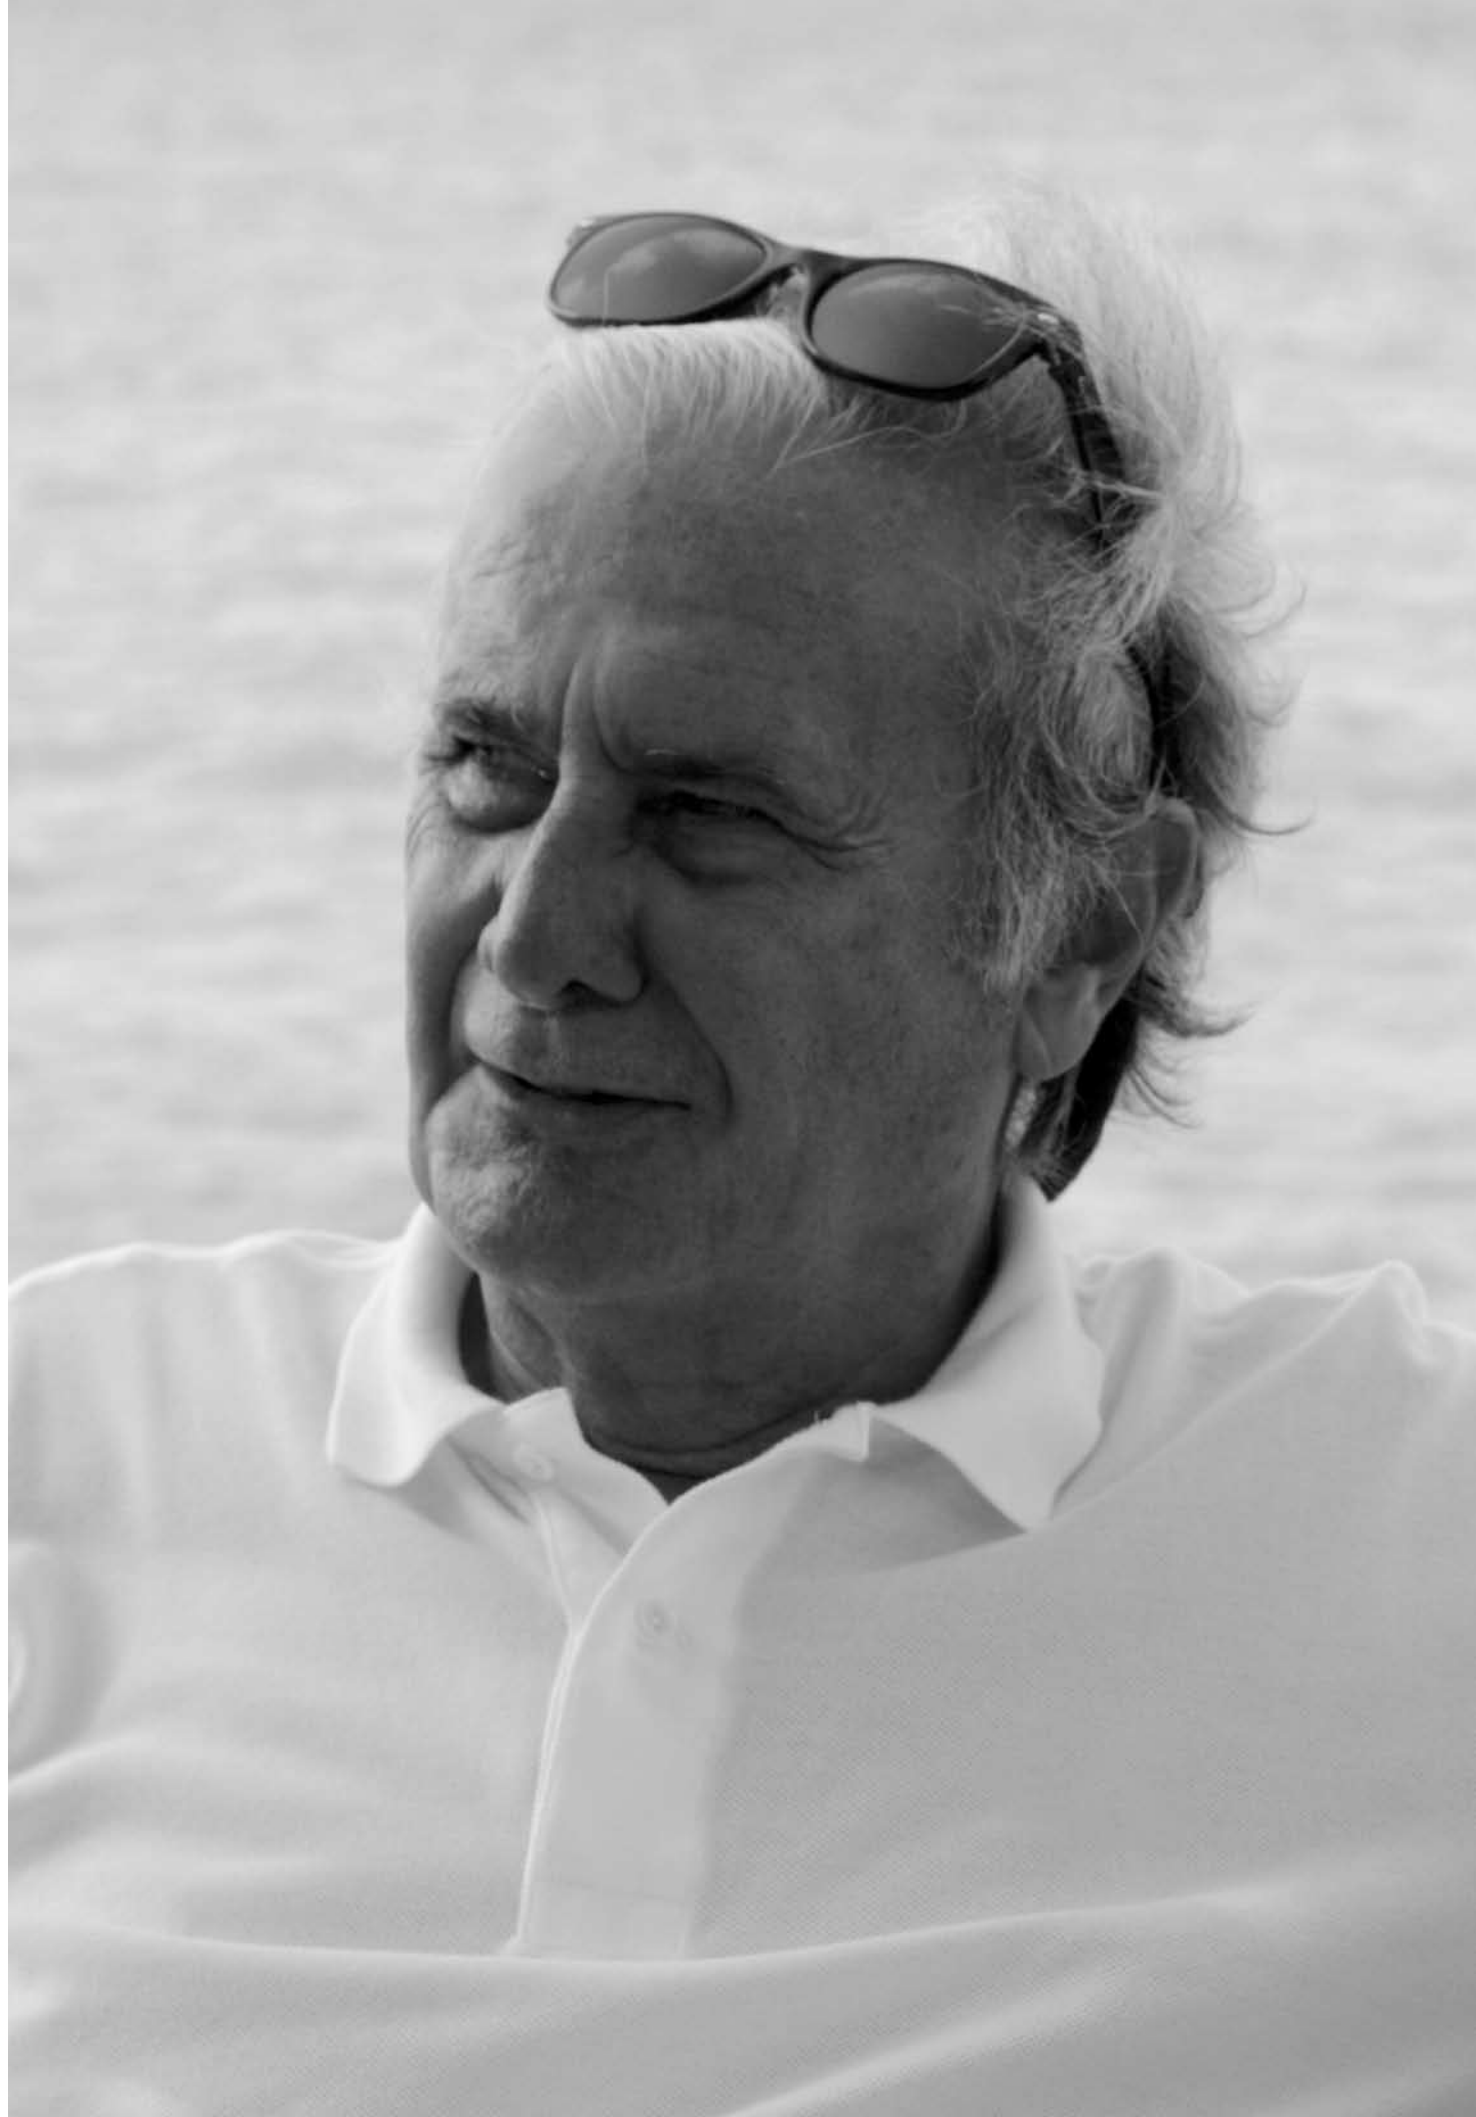

## FEDERICO MARTÍNEZ

---

Federico Martínez único diseñador europeo del grupo es creador de iluminación clásica a nivel mundial. Presidente del proyecto Savoy House Europe, aporta sus elegantes diseños al conjunto de luminarias ofrecidas por el grupo Savoy House, tanto en Norte América como en Europa y Oriente Medio, todas ellas fabricadas en materiales nobles y decoradas con cristales tallados de alta calidad.

Federico Martínez, the sole European designer of the group creates classical lighting for the whole world. Nowadays is the President of the Savoy House Europe project and contributes with his elegant designs to the total Savoy House group lighting offer, as long in North America as in Europe and middle East, all of them manufactured on noble materials and dressed on high quality cut crystals.

---

## KARYL PIERCE PAXTON

---

Karyl Pierce Paxton vive y trabaja en Nueva Orleans, Louisiana. Rodeada de la exclusiva y rica diversidad de esta famosa ciudad se siente creativamente inspirada por su historia Europea, música y arquitectura. Estudiante incombustible de arte, diseño y antigüedades, después de licenciarse en Bellas artes, se trasladó a Nueva York para continuar sus estudios en la prestigiosa escuela de diseño Parsons. Paxton, diseñadora galardonada por sus trabajos en diseño residencial y de interiores satisface las necesidades de su refinada clientela con sus exclusivos muebles y luminarias. En este contexto la prestigiosa diseñadora ofrece su colección de bellas luminarias para SAVOY HOUSE.

Karyl Pierce Paxton experience the custom made charm of occasional furniture and accessories from the Pierce Paxton Collection, by Savoy House. This antiquity infused collection by Karyl Pierce Paxton features an 18 step finish inspired by the Patinas, Old world colors of the French Quarter, and includes hand painted designs of art. Karyl grew up on the desert plateaus of West Texas. After graduating from high school, moved to Missisippi to study art, architecture and antiques. Upon receiving a BFA in graphic design from Mississippi University College for Women, Karyl moved to New York City and attended Parsons School of Design for advanced study in fashion design. There, she created award-winning commercial and residential interiors. Meeting the demand for her custom furniture and lighting quickly became the focus of Pierce Paxton Design Studio. To meet the need for additional artists and craftsmen to produce her line, Karyl moved her business to New Orleans. Today, she creates products that are destined to become heirlooms.

---

## SERGIO OROZCO

---

Sergio Orozco, combina talento, experiencia internacional y una excelente formación. Nacido en Popayan, Colombia donde estudió violín durante muchos años. A los 18 años de edad se trasladó a la capital, Bogotá, con el objetivo de proseguir sus estudios de música. Sus metas cambiaron cuando encontró que estaba desarrollando un interés incluso mayor en el campo del arte, el diseño y la arquitectura. Tras dos años de estudio en talla y construcción de instrumentos musicales en Bogotá, se trasladó a Europa donde viajó y estudió pintura, escultura y diseño. En 1980, se instala en Nueva York y acude a la Parsons School of Design. En 1989 Orozco estableció su exitosa compañía de diseño y programa de licencias en Nueva York que atrae a multitud de clientes nacionales e internacionales con una amplia variedad de productos fabricados alrededor del mundo.

Award Winning Home Furniture Designer Sergio Orozco, is a rare combination of talent, international experience and background. Born in Popayan , Colombia where he studied violin for many years, then at the age of 18 he moved to the Capital , Bogota, planning to pursue his musical studies. His goals changed, however, when he found he was developing even more serious interest in art, design and architecture. So, after two years of fine woodworking and musical instrument construction in Bogota, he moved to Europe where he travelled extensively and studied painting, sculpture and design. In 1980, he came to New York where he attended The Parsons School of Design. In 1989 Orozco established his successful design company and licensing program attracting many national and international clients with a variety of products manufactured around the world.
